

## Experiencia Recepcional

---

### Unit 0. Getting Started

Activity 1. Proposal

Activity 2. Schedule

### Unit 1. The introduction

1.1 The purpose of the introduction

1.2 The research issue

1.3 Objectives

1.4 Rationale

1.5 Writing the introduction

### Unit 2. The literature review

2.1 Finding relevant sources

2.2 Organizing your literature review

### Unit 3. Methodology

3.1 Methodological paradigms

3.2 Context, participants and samples

3.3 Ethical considerations

3.4 Ensuring validity and reliability

3.5 Writing the methodology chapter

### Unit 4. Data analysis and results

4.1 Qualitative data analysis procedures

4.2 Categorising and coding techniques

4.3 Linking data and theory

4.4 Presenting your results

### Unit 5. Discussion

5.1 The discussion section: how and why?

5.2 From results and discussion to conclusions

## **Unit 6. Conclusion**

- 6.1 Summarizing your conclusions
- 6.2 Limitations
- 6.3 Recommendations
- 6.4 Writing your conclusion

## **Unit 7. Presenting your ER Final Paper**

- Before your presentation
- After your presentation
